

Security Seminar

July 8, 2026

9 a.m. – 4 p.m.

\$395 per person

Origin Hotel, 4174 Rowan, Lexington

Security incidences affect every bank, regardless of size. This course will provide critical knowledge to safeguard your bank against security incidences. It will go over tactics to plan for security incidences beforehand and tactics to handle tough situations when security incidences occur. This course also discusses regulatory requirements required of the institution.

Benefits of Attending

- Help assess if institution is meeting or exceeding the requirements laid out in the Bank Protection Act
- Gain skills to address situations that could occur
- Help identify if you are following all GLBA requirements
- Ensure that the annual physical security board report is sufficient.

Concepts Addressed

- Bank Protection Act Requirements
- CPTED-Crime Prevention through Environmental Design
- Verbal De-escalation
- Situational awareness
- Physically Protecting Your Information-GLBA requirements
- Physical Security Annual Board Report
- Physical Security Branch/ATM Risk Assessment

Speaker

Mr. Shane Ensminger has over a decade of experience as a Community Bank Fraud Investigation and Physical Security Director, Shane brings disciplined, and highly specialized background in risk mitigation, threat assessment, and criminal investigations. Prior to entering the financial sector, he served 22 years in law enforcement, where he developed extensive operational and leadership expertise across multiple high-risk and investigative disciplines.

During his law enforcement career, Shane served 13 years as a tactical operator and Assistant Commander of the SWAT team, where he led critical incident responses, high-risk warrant operations, VIP protection details and multi-agency tactical deployments. He also supervised major investigative units including the Narcotics Enforcement Unit and the Intelligence & Organized Crime Unit, managing complex cases involving drug trafficking, gang activity, and organized criminal networks. Shane completed the Graduate School of Banking in Colorado and has a bachelor's degree in criminal justice.

Who Should Attend

- Branch Managers
- Security Officers
- Operations Officers
- Retail Management

Foundations of Banking School December 2026

The Foundations of Banking School curriculum *walks* the banker through the bank using the balance sheet and income statement as the guides for understanding bank profitability. Several additional components have been added to the curriculum to enhance an individual's grasp of the material and to strengthen their ability to interact and relate to their peers, employer and the organization. This innovative curriculum was developed especially for Kentucky bankers.

For more details or online registration go to www.kybanks.com.
