

Education for the Real World

FREE DIGITAL LESSONS

WORD Force

WHOLE-CHILD LEARNING

EVERFI empowers K-12 educators to bring critical skills in to their classrooms and schools. With interactive digital lessons focused on topics like **financial literacy**, **entrepreneurship**, **STEM**, and **health & wellness**, EVERFI helps schools prepare their students to be successful in the real world. The lessons presented by EVERFI help build the missing layer of education in today's world. Thanks to hundreds of partners who share our mission, EVERFI provides these standards aligned resources to schools and students **free of charge**.

Ignition: Digital Wellness

"EVERFI offers quality resources with real-life scenarios for students to make deeper connections. I love that it connects directly to our standards and that there are additional lesson ideas to expand and deepen the learning."

WHY YOU NEED EVERFI

Easy lift for teachers, counselors and substitutes with quick turnkey digital lessons

Real time reporting to see students' baseline knowledge and growth

Offline extension activities including lesson plans, lab packets, and discussion questions

Student scholarship opportunities

Personalized support from a local Schools Implementation Specialist

EVERFI: Financial Literacy

EVERFI

EVERFI, Inc. empowers educators to bring real-world learning into the classroom and equip students with the skills they need for success - now and in the future. 3 of 5 U.S. school districts use EVERFI's digital resources to teach topics like financial literacy, social-emotional learning, career readiness, and prevention education.
