## Introducing VCO - Virtual Compliance Officer

Bankers Alliance announces its newest offering, Virtual Compliance Officer, which gives your bank access to our knowledgeable and experienced compliance experts. Bank regulations are increasing in complexity and number and our staff is continuously educated on the ever-evolving world of compliance, so your bank has the critical, updated information needed to make the best strategic decisions.

### - The VCO Process -

**Our entirely remote staff guides and supports your institution where, when and how you need it.**

- Monitoring of day-to-day compliance
- Monthly reporting
- Assisting with implementation
- Customization of policies and procedures
- Accessing daily risk

*“Virtual Compliance Officer from Bankers Alliance has been a great help to those community banks who really need these services.”*
