

Announcing Bulk Liquid Hand Sanitizer Distribution To Combat COVID-19

To meet the great need for hand sanitizer that can combat the Coronavirus (COVID-19) pandemic Deluxe has teamed up with a USA auto accessories manufacturer to distribute large quantities FDA approved 75% Isopropyl alcohol liquid hand sanitizer. Essential workers keeping our country alive at this time are risking their lives and lives of their families due to a nation wide shortage of PPE and decontamination products such as hand sanitizer. This **Pure Hand Sanitizer** is a powerful decontaminant that has been designed to combat the spread of the **Coronavirus (COVID-19)**. Effective sanitizing of one's hands has shown to prevent contamination. These large hand sanitizer bottles are designed to refill liquid hand sanitizer dispensers. This liquid sanitizer can be used in most liquid refillable pump and spray containers. We highly encourage all customers to take advantage of this while supplies last. We will begin shipping April 28th for all orders that have been entered!
