Personal Protective Equipment (PPE)

Help equip your employees with gear for work.

As your business begins to reopen its doors, your company may have instated new employee safety measures to encourage social distancing and help reduce the spread of germs. Office Depot® offers PPE for your organization to help maintain business continuity while keeping your employees' well-being top of mind as they return to work.

FIND PPE PRODUCTS AND MORE FOR YOUR BUSINESS — ALL FROM ONE SOURCE.

FACE MASKS AND COVERINGS

Nonmedical disposable face masks are designed for single use by your employees. Many of the face masks we offer from Advantus, KATA and more feature ear loops for easy wear and come in a variety of materials, including cloth, 3-ply nonwoven fiber and hypoallergenic options.

FACE SHIELDS

Face shields can help provide a protective barrier for your employees. SunCast® face shields come fully assembled and feature adjustable bands. These shields are latex-free and can be worn with or without a face mask or goggles.

HAND SANITIZER

Hand sanitizers serve as a fast-acting, quick-drying way for your employees to clean their hands without the need for water or towels. We offer a variety of hand sanitizers from FarFromBoring and Clean Works, including fragrance-free options and sanitizers with aloe.

TECHNOLOGY

Infrared thermometers provide a solution for checking temperatures safely and quickly — without contact. Infrared thermometers by Jiacom and Dr. Talbot's include memory storage, auto-shut-off functionality, LED displays and fever warnings.
