COMPLIANCE

We help our clients stay in compliance with all state and federal regulations by monitoring, updating and informing through the process.

TURN AROUND TIME

Don't let your current background check process hinder your hiring process and cause you to lose candidates. By utilizing direct integrations with the county court houses and boots on the ground researches we offer the fastest turn around times in the industry. We are happy to give you a free trial to see first hand.

ATS INTEGRATIONS

Would you like to integrate with your current ATS, HRIS or Payroll platform? WE CAN DO THAT! Streamlining and automating your onboarding process will save you and your team precious time and money. Ask us how we can help!
